Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

To the Claims

In claim 31, line 3, delete "of claim 17".

Remarks

Upon review during the publication process, it was noted that the reference to claim 17 was inadvertently maintained in the claim. As the amendment of the claim in the 8/5/04 amendment included all of the limitations of claim 17 therein and in light of the cancellation of claim 17, a reference to the claim 17 was not needed and thus removed.
